PARTICIPATION FOR ALL

FOCUS: Moving from Capturing the Magic to Sharing the Magic

What do we do now?

Planning ahead

- **Communicating** with each other - share your email
- **Collaborating** on next projects and work - forming teams/themes
- **Connecting** to share knowledge, resources and successes - joining LEAP

How shall we make progress together?

- A next conference
 - What theme?
 - Where should it be?
 - When should it be - no more than 2 years
